

FREMANTLE MEMBERS AND DELEGATES

DID IT AGAIN!

Apologies to Brittany Spears, but the Fremantle LGRCEU members and delegates have done it again!

After more than 12 months of hard bargaining, they were able to persuade the Fremantle Council to withdraw proposed trade-offs to their sick leave, redundancy and redeployment conditions, in return for fair and reasonable wage increase for their new enterprise agreement. The Agreement will run until the middle of 2025.

A big shout to all members, and an even bigger shout out to our delegates Lance, Dante, Jeff, Geoff, Luke and Robbie(CFMEU) for standing strong.

Respect costs nothing- but is invaluable.
