

LGRCEU (WA) JOB DELEGATES CONFERENCE

A big thankyou to all of the delegates who attended the delegates' conference on Monday the 6th of November 2023.

The conference was the best attendance the Union has had, and the level of commitment and participation bodes well for the future of the LGRCEU(WA).

With the diversity of delegates from metropolitan and regional areas a good mix of views were shared and its is clear that the delegates benefitted from the experience.
